All for Moms Foundation

2026 Holiday Adopt-a-Family Program

Frequently Asked Questions for Sponsors

Thank you for your interest in supporting local families through the All for Moms Foundation Holiday Adopt-a-Family Program!

At All for Moms Foundation, we believe every mother deserves a village of support, especially during the holiday season. Our Holiday Adopt-a-Family Program connects generous individuals, businesses, and community organizations with families experiencing financial hardship or challenging life circumstances.

By adopting a family, you are doing more than providing gifts. You are helping relieve financial stress, create meaningful holiday memories, and remind a mother that she is not alone.

Below are answers to frequently asked questions to help you prepare for a meaningful holiday giving experience.

2026 Holiday Sponsorship at a Glance

- **Gift Commitment:** Approximately \$100 in new gifts per child.
- **Optional Additional Support:** A \$100 grocery gift card to help with a holiday dinner.
- **Family Application Deadline:** December 1, 2026.
- **Gift Delivery Deadline:** Friday, December 11, 2026.
- **Gift Drop-Off:** Village Thrift or pre-coordinated pickup through All for Moms Foundation.
- **Questions:** email molly.latta@allformomsfoundation.org

1. What am I expected to provide for my adopted family?

We ask each sponsor to provide approximately **\$100 in new, age-appropriate gifts per child**, using the child's holiday wish list as a guide.

**All for Moms
Foundation**
bringing peace home

If you would like to provide additional support, we recommend including a **\$100 grocery gift card** to help the family purchase food for a special holiday dinner.

The grocery gift card is optional and is not required to fulfill your sponsorship commitment.

Sponsors are welcome to provide additional gifts or support beyond these guidelines, but it is not expected.

2. Can I provide gift cards instead of purchasing gifts for the children?

We encourage sponsors to purchase actual gifts from each child's wish list whenever possible.

For many families, having presents to open on Christmas morning is a meaningful part of the holiday experience.

If you prefer to provide gift cards instead of gifts, please contact All for Moms Foundation before making substitutions.

Grocery gift cards are always welcome as an optional addition to your sponsorship.

3. Can I choose the size of the family I adopt?

Yes! We understand that every sponsor has a different budget and capacity to give.

Sponsors may select a family size that best fits their individual, family, or organization's ability to provide support.

Our goal is to create successful matches that are meaningful for both the sponsor and the recipient family.

4. Can I adopt more than one family?

Absolutely!

Individuals, businesses, churches, community groups, and other organizations are welcome to sponsor multiple families.

We ask that sponsors only commit to the number of families they can fully support.

If your business or organization would like to coordinate a larger holiday giving initiative, please contact All for Moms Foundation to discuss available opportunities.

Foundation**
bringing peace home

5. Can I choose a family from a specific community?

All for Moms Foundation primarily supports families in the communities we serve, including Miami County and surrounding areas in the KC Metro.

When available, sponsors may request families from a particular community or select families based on household size.

While we will do our best to accommodate preferences, specific matches cannot be guaranteed.

6. Will I communicate directly with my adopted family?

To protect the privacy and dignity of the families we serve, All for Moms Foundation will coordinate communication between sponsors and recipient families.

Sponsors will receive relevant information about their adopted family's needs, including children's ages, interests, clothing sizes, and holiday wish lists.

Please do not attempt to contact families directly unless All for Moms Foundation has specifically authorized and coordinated that communication.

Our team is happy to help clarify wish lists or answer questions about your family's needs.

7. Am I required to purchase a gift for the mother or caregiver?

No. While All for Moms Foundation is dedicated to supporting mothers, sponsors are not required to purchase gifts for parents or caregivers.

Our Holiday Adopt-a-Family Program focuses on ensuring that children experience the joy of receiving gifts during the holiday season.

If you would like to include something special for Mom or another caregiver, you are welcome to do so!

8. What if the family has children over the age of 18 living at home?

Our standard holiday gift program prioritizes dependent children ages 18 and under who are living in the household and have not yet graduated from high school.

Sponsors are welcome to purchase additional gifts for older household members if they wish, but this is not required.

**All for Moms
Foundation**
bringing peace home

Any additional gifts are entirely at the sponsor's discretion.

9. What if a child's wish list includes expensive items?

Wish lists are intended to help sponsors understand a child's interests and preferences, not create an expectation that every requested item will be purchased.

Sponsors are not required to purchase expensive electronics, gaming systems, or other high-cost items.

We encourage sponsors to stay within the recommended gift budget of approximately \$100 per child and select thoughtful, age-appropriate alternatives when necessary.

If you need additional gift ideas, our team can help.

10. Should I wrap the gifts?

Yes, we encourage sponsors to wrap their gifts whenever possible!

Wrapped presents help create the excitement and joy of the holiday season while allowing parents to share the experience of opening gifts with their children.

Please clearly label each gift with the intended child's name or identifying information provided by All for Moms Foundation. Do not put any name in the "From" field. This allows the parent the option to choose between putting their own name or Santa.

If you are unable to wrap the gifts, please let our team know.

11. Where and when do I deliver my gifts?

All gifts must be received by **Friday, December 11, 2026**.

Sponsors have two options for delivering their gifts:

- **Drop-Off:** Bring your gifts to Village Thrift, operated by All for Moms Foundation.
- **Prearranged Pickup:** If you are unable to deliver your gifts, contact our team in advance to coordinate a pickup. Pickups must be arranged by 12/1/26.

Please ensure gifts are clearly labeled with the assigned family information provided by All for Moms Foundation.

**All for Moms
Foundation**
bringing peace home

We ask that sponsors not arrange direct deliveries to recipient families unless specifically authorized by our team.

The December 11 deadline is important to allow our team adequate time to organize and distribute gifts to families before Christmas.

12. Can I invite my adopted family to my home or arrange to meet them?

We appreciate sponsors who want to build personal connections with the families they support.

However, we ask that sponsors respect the privacy, comfort, and dignity of recipient families.

Sponsors should not independently arrange home visits, gift exchanges, or personal meetings.

Any in-person interaction must be coordinated and approved through All for Moms Foundation.

13. Can my business or organization host a holiday party for the families we sponsor?

Yes! We love seeing businesses and community organizations create meaningful opportunities to support local families.

If your organization would like to host a holiday celebration, gift distribution event, or other special experience, please contact All for Moms Foundation to coordinate the details.

Participation in any event must remain optional for recipient families and cannot be required as a condition of receiving holiday assistance.

14. Can I prepare a holiday meal for my adopted family?

We appreciate the thoughtful gesture!

However, for food safety, liability, and family preference considerations, we ask sponsors to provide grocery gift cards rather than homemade meals.

If you would like to provide additional support beyond the required gifts, we recommend a \$100 grocery gift card.

**All for Moms
Foundation**
bringing peace home

This allows families to choose foods that reflect their traditions, dietary needs, and personal preferences.

If you would like to sponsor a prepared holiday meal from a grocery store or restaurant, please contact our team to coordinate arrangements.

15. Can I continue supporting my adopted family after the holidays?

Our Holiday Adopt-a-Family Program is designed specifically to provide seasonal holiday support.

However, All for Moms Foundation offers opportunities to make a lasting impact throughout the year.

You can continue supporting local mothers and families through:

- Financial donations to All for Moms Foundation
- Volunteering at our community programs and thrift store
- Donating household essentials, furniture, and other needed items
- Supporting families through our Mama Mission program
- Participating in community events and fundraising initiatives

We encourage sponsors who want to make an ongoing difference to explore ways to become part of the All for Moms village.

16. How are families selected for the Holiday Adopt-a-Family Program?

Families experiencing financial hardship or challenging life circumstances are invited to apply for holiday assistance through All for Moms Foundation.

Applications will be accepted through December 1, 2026.

Our team will review applications to determine eligibility and prioritize families based on demonstrated need and available program resources.

Submitting an application does not guarantee sponsorship. All families will be treated with dignity, compassion, and respect throughout the process.

17. How long does it take to be matched with a family?

**All for Moms
Foundation**
bringing peace home

All for Moms Foundation will match sponsors with eligible families as applications are received and reviewed.

Because family applications remain open through December 1, 2026, additional families may become available throughout the enrollment period.

Once matched, sponsors will receive their family's holiday wish lists and instructions for preparing and delivering gifts.

All gifts must be received by December 11, 2026, regardless of the date the sponsorship is confirmed.

18. Will my personal information be shared with the family?

All for Moms Foundation respects the privacy of both sponsors and recipient families.

We will not routinely share your personal contact information with recipient families.

If you would like to include a holiday card or personal message with your gifts, you are welcome to do so.

Please avoid including personal contact information unless you have discussed it with our team.

19. Can I take photos or share my sponsorship on social media?

We love when our sponsors inspire others to give back!

You are welcome to share photos of shopping, wrapping gifts, preparing donations, or your team participating in the Holiday Adopt-a-Family Program.

However, **please do not share a recipient family's name, personal circumstances, identifying details, or photographs without authorization from All for Moms Foundation and the family's consent.**

We encourage sponsors to focus their posts on the joy of giving and the importance of supporting families in our community.

You are welcome to tag All for Moms Foundation in your posts!

20. What happens if I can no longer fulfill my sponsorship commitment?

We understand that unexpected circumstances can arise.

**All for Moms
Foundation**
bringing peace home

If you are unable to fulfill your commitment, please notify All for Moms Foundation as soon as possible.

Early communication is essential so our team can find an alternative sponsor and ensure that no family is left without holiday support.

We ask sponsors to carefully consider their ability to provide the requested items before committing to adopt a family.

21. Can I provide a grocery gift card or make a financial donation instead?

Absolutely!

While the primary sponsorship commitment is approximately \$100 in gifts per child, sponsors who wish to provide additional assistance are encouraged to include a \$100 grocery gift card to help with a holiday dinner.

Financial donations are also welcome and allow All for Moms Foundation to help fill sponsorship gaps and meet additional holiday needs.

If you would prefer to make a financial donation instead of shopping for a family, please contact our team or visit www.allformomsfoundation.org.

22. What if I want to help but cannot afford to sponsor an entire family?

Every act of generosity matters!

You do not need to adopt an entire family to make a meaningful difference.

Consider:

- Partnering with friends, family, or coworkers to sponsor a household together
- Donating a new toy or gift
- Contributing a grocery gift card
- Making a financial donation
- Volunteering to help organize and distribute holiday gifts

There is a place for everyone in our village.

A Holiday Season Filled with Hope

At All for Moms Foundation, we know that the holidays can be especially difficult for mothers who are already carrying the weight of financial challenges, family responsibilities, and unexpected hardships.

Through the generosity of our community, we can help lighten that burden.

Your sponsorship is more than a gift under the tree. It is a reminder to a mother that she matters, her children matter, and her community is standing beside her.

Thank you for choosing to be part of someone's village this holiday season.

Together, we can make the holidays brighter for moms and their families.

All for Moms Foundation
