Sponsorship Opportunities

Dear Supporter,

Motherhood was never meant to be carried alone. Yet for many moms in our community, the weight of caring for their families while navigating mental health challenges, financial hardship and overwhelming home environments can feel isolating and impossible to manage.

All For Moms Foundation exists to remind these women that they are seen, supported and worthy of a fresh start.

We invite you to join us for **ROOTED: A Gala for All for Moms Foundation**, an inspiring evening celebrating the strength of mothers and the power of a community that chooses to stand beside them.

Through our Mama Missions and ongoing support programs, All For Moms Foundation transforms cluttered and overwhelming homes into safe, functional spaces where families can begin to thrive. But the impact reaches far beyond an organized home. It can mean a mother feels hope again, a child has a peaceful place to sleep or a family can finally take a breath and imagine a brighter future.

We invite you to become a ROOTED sponsor or donor. Sponsorship opportunities range from \$500 to \$15,000 and include varying levels of event admission, VIP reception access, reserved gathering spaces and recognition. We also welcome beverage partnerships, auction contributions and other in-kind support.

Your partnership is more than a logo on a sign or a name in a program. It is a mother feeling less alone. It is a family finding stability. It is a home becoming a place of peace and possibility again.

Taking place **Friday, May 7, 2027**, at the **Vox Theatre**—fittingly, the Friday before Mother's Day—ROOTED will bring together community leaders, local businesses and caring supporters for an evening featuring live music, an art showcase, silent and live auctions, and a meaningful story from a mother whose life has been changed through the support of All For Moms.

When moms are supported, families become stronger—and entire communities flourish. Together, we can help more mothers feel rooted in hope, surrounded by care and empowered to move forward.

Thank you for considering a partnership with All For Moms Foundation.

With heartfelt gratitude,

"You made our house welcoming, open and functional again. Every space you touched had it's own challenges and requirements. You gave them each careful consideration and forethought while making us feel included and heard throughout the project and visits. It is like hitting a reset button on these spaces. Getting past how we got to that point and not knowing where to start with fixing it felt impossible without someone to help."
