

Our mission is to nurture stronger families and communities by surrounding mothers with the support, resources, and spaces they need to thrive—from transforming homes and furnishing new beginnings to offering connection and empowerment through our community programs.

At All For Moms, we are driven to create connections with moms and families in the community. Since 2022, we have taken part in a wide range of activities that empower individuals and create a stronger family unit within the home. We strive to build productive relationships and make a positive impact with each mission.

Our Founding Story

Starting in 2022 from a shared belief about the pressures on moms, All For Moms began with a small group of compassionate women led by founders Allie and Katie. They met through a shared interest in volunteering and working together to support mothers in need.

What We Do

We serve Moms facing challenges impacting family and home care. Clients receive services like a personal needs assessment, parent education, home environment reset plans, and six-months of free therapy. We also provide a resource closet for pregnant and new moms, along with community baby showers for expecting mothers. We create a supportive “Village” for moms through various programs and meet them where they are - in the various stages of motherhood and self-confidence.

Who We Serve

Mothers with Children at Home: New mothers, Mothers with grown children, Bereaved mothers, Foster-moms & blended families

Families: Children and spouses are an important component to our outreach. We focus on all members of the family through collaborative parent-education.

Expectant or New Moms: We celebrate pregnancy and post-partum with community baby showers, resources and supplies to support the transition to motherhood.

Our Programs

Mama Missions

Our program aims to help struggling families achieve a fresh start at home. There are no financial requirements, and each mission lasts about 8 weeks, culminating in a “Mission Day.” Applications are accepted for families meeting specific criteria.

- Living in the KC Metro and are a mother with children living at home or have recently experienced pregnancy but do not have living children yet
- Living in a home with clutter with no plans to move within 120 days
- The condition of the home is causing stress, and the family has exhausted the ability to resolve this on their own
- The entire family is willing to have a team of volunteers work within their home & is ready for a change in their lives
- The home is not currently in an active or recent infestation

Learn more about missions and how to apply at allformomsfoundation.org/apply

Free Therapy

We’ve partnered with BetterHelp to provide 6 months of free therapy to each person in the household 13 years and older.

Resource Closet

Providing diapers, wipes, formula, lactation supplies, maternity clothes and post-partum supplies to those in need.

Miami-County thrift store offering voucher shopping to low-income families & mom-sponsoring opportunities. Located at 211 N. Silver St. Paola KS 66071.

How to Help

Donate Funds

Every dollar donated supports our volunteer-based charity with missions costing an average of \$1,000 each, covering both purchased and donated supplies.

Learn more about donating at allformomsfoundation.org/donate

Volunteer

Sign up for individual missions, join our team or to help at the thrift store & join our village. We welcome all volunteers aged 8+.
